

AIWARYA A M

Integrated MCA Student | Software Developer Aspirant

aiswaryaam26@gmail.com | 6238271191 | Kottayam, Kerala | LinkedIn: linkedin.com/in/aiswarya-am

PROFESSIONAL SUMMARY

Enthusiastic Integrated MCA student (2022–2027) at Saintgits College of Engineering with hands-on experience in Python, Java, web development, and database management. Demonstrated ability to build full-stack web applications and a strong interest in emerging technologies including Cybersecurity, IoT, and UI/UX Design. Quick learner with solid problem-solving skills, seeking an entry-level software development opportunity to apply academic knowledge in a practical environment.

EDUCATION

Integrated MCA (Master of Computer Applications)

2022 – 2027

Saintgits College of Engineering, Kottayam, Kerala

- Pursuing 5-year integrated program with focus on programming, software development, and computer applications
- Coursework: Python, Java, Web Development, Database Management (SQL/MySQL), Data Structures, Algorithms
- Active participant in academic mini projects and technical activities

TECHNICAL SKILLS

Programming Languages: Python, Java

Web Technologies: HTML5, CSS3, JavaScript, PHP

Database Management: SQL, MySQL

Tools & Productivity: MS Word, MS Excel, MS PowerPoint

Areas of Interest: Cybersecurity, IoT, UI/UX Design, Artificial Intelligence, Data Science, Deep Learning

PROJECTS

Online Tour Package System | PHP, HTML, CSS, MySQL

- Developed a dynamic full-stack web application to simplify tour package browsing, booking, and management for end users and administrators
- Implemented user registration and authentication, package search and filtering, booking management, and a fully functional admin panel
- Designed a responsive, user-friendly interface with data validation and security mechanisms to ensure reliable handling of user information
- Built with scalability in mind, enabling future enhancements such as payment gateway integration and advanced search features

CERTIFICATIONS

- Introduction to Artificial Intelligence
- Introduction to Data Science
- Introduction to Deep Learning

ACHIEVEMENTS & ACTIVITIES

Vibe Coding Competition – CodeLess (INCEPTA'26)

February 2026

Participated in a no-code/low-code competitive programming event organized as part of INCEPTA'26, Trivandrum

LANGUAGES

English (Professional Proficiency) | Malayalam (Native)

ADDITIONAL INFORMATION

- Date of Birth: 26 November 2003
- Nationality: Indian
- Actively participates in workshops and hands-on sessions to enhance technical skills and practical knowledge in emerging technologies
